Message from TGJTA President

Hello Friends,

Greetings from the Thai Gem and Jewelry Traders Association (TGJTA)!

Preparations for the inaugural Thailand Gems & Jewelry Fair (TGJF) 2017 is well underway, and TGJTA is ready to open a new platform for gems and jewelry trading and networking in the region next week! No matter where you are, a visit to the TGJF 2017 is definitely a great journey for your business!

We believe that in the gems and jewelry industry, a strong relationship and face-to-face connection with real trading partners is the key to a flourishing business. At the TGJF 2017, buyers, sellers, manufacturers, designers, and industry leaders will gather, meet in person and forge new relationships that will grow into long-lasting trust and authentic friendship. A wide range of networking activities at TGJF 2017 is priceless compared to communicating each other from distance.

We have also made preparations to welcome our friends from 17 industry associations in ASEAN+6 who will be joining our fair. From our experience in organizing gems and jewelry fairs for more than 30 years, this is a rare chance for everyone in the industry to expand their network across the region and the world and build a unique community together.

The TGJTA is honored to welcome you to the Thailand Gems & Jewelry Fair (TGJF) 2017. Last minute travel to visit TGJF 2017 is still a good decision.
